

VOLUNTEERS NEEDED

Give Back During COVID-19 with St. John the Compassionate Mission

We are continuing to provide essential services to the city's most vulnerable, while following the provincial health guidelines for COVID-19 management as it applies to drop-ins.

We need volunteers who can:

- Support the St. John's Bakery in a role that suits your abilities
- Help during the breakfast and meal program
- Deliveries & pick-ups of donations

**If interested, please email
info@stjohnsmisson.org**

Our purpose is to be and to build an inclusive community through the gifts and the needs that each of us brings. This Community of Love is a place of healing and nourishment occurring through awakening the God-given dignity and value of each person, while responding to each person's needs.
